

IZN Retreat - Kloster Schöntal

July 1 - July 2, 2018

“The gut-brain axis in health and disease”

Sunday, July 1

Welcome Reception	10.00		
Session 1 Chair: Annarita Patrizi	10:30	Hilmar Bading Managing Director IZN Heidelberg	Welcome Address
	10:45	Michael Schemann Human Biology, TUM, Germany	“Enteric nervous system structure and function”
	11:30	Vassilis Pachnis The Francis Crick Institute, London, UK	“Enteric nervous system development”
Lunch	12:15		
	Free time: Canoeing (meet at 13.15), walk'n'talk or guided tour through the monastery (meet at 14.30)		
Dinner	18:00		

Session 2 Chair: Beate Niesler	19:30	Emeran Mayer G. Oppenheimer Center for Neurobiology of Stress & Resilience, UCLA, Los Angeles, USA	“Gut microbes and the brain: A paradigm shift in Neuroscience”
	20:30	Posters and Drinks, Rooms 203 + 204	

Monday, July 2

Breakfast	8:00		
Session 3 Chair: Gudrun Rappold	9:00	Beate Niesler Human Genetics, Heidelberg, Germany	“Resolving the enigma of genetics in irritable bowel syndrome – a gut brain disorder”
	9:45	Lukas van Oudenhove TARGID, Leuven, Belgium	“Brain imaging in functional GI disorders and correlation to functional traits”
Coffee	10:30		
Session 4 Chair: Ricarda Diem	10:50	Stefanie Kürten Department of Anatomy and Cell Biology, Friedrich-Alexander University Erlangen- Nürnberg	“Central nervous system diseases and the gastrointestinal tract”
	11:35	IZN Pre-/Postdoc Meeting IZN Investigator Meeting	Festsaal Room 219
Lunch	12:15		
Session 5 Chair: Francesca Ciccolini	14:00	New Members of the IZN – who is who? Annarita Patrizi German Cancer Research Center Heidelberg	“Intrinsic and extrinsic factors modulating the maturation of GABAergic interneurons” “Decoding Calcium Signals in Astrocytes” “My two cents...”
	14:30	Amit Agarwal Institute for Anatomy and Cell Biology, Heidelberg	
	15:00	Claudio Acuna Goycolea Institute for Anatomy and Cell Biology, Heidelberg	
Coffee	15:30		

Session 6	16:00	Awards ceremony	<ul style="list-style-type: none">- IZN-Students Poster Prize- Foundation BrainAid IZN Master's Award 2018- IZN / Chica and Heinz Schaller Young Investigator Neuroscience Award
	16:45	End of the Retreat
